

ATRIUM STAR
General Trading LLC.

About Us

Atrium Star General Trading LLC was founded on a solid foundation of more than 25 years' experience and success, both individually and collectively, by its founder and managers. When we realized the huge potential in the commodities trading industry, ATRIUM STAR quickly set our sights on the next path to success. In an effort to diversify our portfolio, expand into new markets, and ensure our success, we have created a global network of highly experienced industry professionals. Through this tightly integrated network, we have quickly inherited standing and solid relationships worldwide.

Mission

Our mission is to create and form strategic alliances with world-class companies that will meet the growing market demands.

Vision

We move ahead since our vision is to become a global enterprise that provides an effective complete solution in the oil & Gas Industry.
